Good Afternoon Ashley,

My client (copied here), wishes to proceed with withdrawing their standard rezoning application RZ-STD 26-0481, so that we can submit a PD application, inclusive of rezoning for the same site and gas station use. Once we have all necessary PD documentation and information together we will submit by separate application.

Can we include our AB application (2-APS, and waiver required) as part of, or to go parallel with the PD rezoning?

Also, how would we initiate the 25% reimbursement? Is that automatic, or do we need to submit any documentation to get it applied?

Best,

Bryan Dion
